### QUALIFYING

**THE MEET IS OPEN TO ALL PWSL SWIM TEAMS.**

**EVENTS 1 & 2 (Mixed Age 150 M Free Relay) = Do not have a qualifying time. All teams are requested to enter a team in these events.**

**EVENTS 3 - 21 = Relay teams must qualify as one of the top 12 PWSL relays (as of June 30) in each age group to participate.**

Only the Top 12 relays in each age group from the first three meets of the 2009 season will be qualified to participate in Events 3-21. **Top 12 times will be determined by legal swims in one of the first three meets for the 2009 PWSL season (June 13, 20 or 27).**

Some league teams will not be participating so we will be filling the vacancies in the top 12 teams from the 13<sup>th</sup>, 14<sup>th</sup>, 15<sup>th</sup> etc. fastest teams. We are going to fill all heats with the 12 fastest relays that can participate on the day of the race.

Each team may only enter one relay per event. This means if you're 'A' & 'B' relay teams both have one of the top 12 times only your 'A' relay team may compete

**Teams will be allowed to substitute swimmers on relay teams.** Teams do not need to enter the same swimmers in this meet that swam on the relay team with a qualifying time.

**TEAM SCORING**

Team Points are awarded for all twelve (12) places. First place points are awarded to the fastest legal relay swim, Second place points are awarded to the second fastest legal relay swim, and so on through all twelve places. DQ's score zero team points.

Team Points will be awarded following the USA Swimming Rules and Regulations Article 102.7.3 Scoring based on a 12 lane pool.
